Queens College, CUNY,   Department of Computer Science
Software Engineering
CSCI 370
Fall 2018
Instructor: Dr. Sateesh Mane

© Sateesh R. Mane 2018

due Friday September 14, 2018

- Submit your report in a zip archive with the following name.

  `StudentId_first_last_CS370_Assignment[1,2,...].zip`

- Include one text file per question, acceptable file formats are txt/pdf/docx.

1 Margaret Hamilton

- Write a short paper (one page?) about Margaret Hamilton.

- She is credited with naming the discipline "software engineering" (see 0.50–1:00 in the presentation).
  See also her presentation (begins sligtly before 5:00).
  `https://www.youtube.com/watch?v=ZbVOF0Uk5lU`

- She was awarded the Presidential Medal of Freedom in 2016.
  `https://www.nasa.gov/feature/margaret-hamilton-apollo-software-engineer-awarded-president`

- **State the source(s) of your information.**

2 Hedy Lamarr

- Write a short paper (one page?) about Hedy Lamarr.

- She was a major Hollywood screen actress.

- However, she also did/invented something else, for which she was inducted into the National Inventors Hall of Fame in 2014.

- I said in class that she was too old to accept the award in person, but in fact she died in 2000 and was inducted posthumously.

- **Find out what Hedy Lamarr did, to be inducted into the National Inventors Hall of Fame.**

- **Write (briefly) about some of the applications of her invention.**

- **State the source(s) of your information.**
